

A glowing jack-o'-lantern with a classic triangular-eyed, jagged-mouthed face sits in the foreground on a bed of autumn leaves. The background is a dark blue night sky with a full moon at the top center and two black silhouettes of bats in flight. The scene is lit with a soft, warm glow from the jack-o'-lantern and some out-of-focus light spots in the background.

# The last Holiday

Halloween story

ONE DAY ON THE EVENING BEFORE THE HALLOWEEN, THE TWO BEST FRIENDS GENEVIEVE AND PAT WERE LISTENING TO THE RADIO AND THEY HEAR(D) A MESSAGE OF THE GOVERNEMENT SAYING THAT THERE IS GONNA BE SCHOOL TOMOROW BUT THEY DON'T KNOW THAT IT'S NOT THEM IT'S SOMEONE ELSE.

- When they arrive(d) at school, nobody was there and the whole school was in the darkness. They tried to turn on the light but nothing was working and strange sound were coming out of the second floor. After they went to their locker somethings isn't right in their mind and..... BOOM!!!!!! The strange sound became even louder and now they knew where it came from, The class of a retired teacher who was creepy and now is in psychiatric (ward) .They arrive \_\_\_ in the class. Nothing was there and the door shut behind them and the creepy teacher appear(ed) in front of them.

**A couple minutes later, Charle took away Genviève and let pat lay down after he gave them pils to make them sleep. When she woke up Charle was doing a soup with human inside and told her that he was going to eat her. In the class,Pat was trying to get out until he found the key on the teacher's desk. Pat ran to the desk and sneak\_\_ to the class where she was about to be killed and save her but got captured by Charle.**

- She ran out of the class and when she turn\_\_ her back she saw pat getting eat by Charle. She got out the school the fastest she can and never came back there and later she saw in the news that Charle had been sent to a psychiatric hospital.
