a psychopath's love ☺

It was a cold Halloween afternoon, we could hear the crying of a young girl echoing throughout the house. Her tears tore the silence that weighed in her empty house. Becca was in her room crying about the death of the person she loved. She learned a few minutes ago that he got murdered when he was coming back from school.

⬧.At this moment she was on call with her best friend Nico, he was the one that announced her the death of Nathan. He was really worried about her so he asked if she wanted to came to his house to be comfort. Becca accepted and she went to his house.

❖They talked about him and all the best time they shared with Nathan. After a few hours, Becca was feeling better but when she was about to leave, Nicolas asked her to stay a little longer.

-Its late, I think I need to go home now, I am really tired.

⬥When she finished her sentence and the boy was already in front of the door. He didn't wanted her to leave, he also asked if she wanted to sleep at his house for the night. She accepted and both went to bed after a drinking a glass of water. A few hours after falling asleep, Nico wake up and went got a knife in the kitchen and two rope in the basment. He tied her to the bed and waited her to wake up.

⬦ It took 3 hours because he put drugs in her glass. When Becca wake up, it was 5 o'clock in the morning, he was talking to her and saying how much he always loved her. After his long dialogue, he took the knife, he put it on his throat with tears on his eyes, he was panting. She was in a panic and was trying to calm him down. He wasn't listening to her and he slapped Becca. She stoped talking and stared at him with tears in her eyes threatening to sink.

–If I can't have you Becca.. No one can.

❖ He lost his patience and finished her off leaving her to die, he was shaking and he dropped the knife that just used to end his best friend's life. He took her dead body and went down to the basement to exchange his blood for embalming fluid. 30 minutes later, Becca's body was in Nico's bedroom closet. When he finished to clean his room he went down the stairs and saw his mother coming back from the basement.

-Wow, you decorate the basement for Halloween, the fake blood wasn't a bad idea, She said.

-Yes, I tought it would be cool, he said with a smile on his face.
